NPS	L	d	A	B	Sch.No.	T

Technical Specificaion
1、Design & manufacture according to BS1868；
2、Weld size dimension according to ASME B16.25；
3、Structure length size dimension according to ASME B16.10；
4、Inspection & test according to API 598；

Main Performance:		
Nominal Pressure	1500LB	
Strength test pressure	39.0	MPa
Seal test pressure	28.6	
Air seal pressure	0.6	
Temperature	-29～425°C	
Medium	Water.air.steam.gas
